Welcome to the journey of life!

Shristi is one of India's largest infrastructure development companies and has footprints in **12 cities** and **6 retail developments in 6 cities**. Shristi builds Townships, Hotels, Logistic Hubs, Industrial Parks just to name a few. Shristi brings joy, delight and satisfaction to thousands of people. Our Homes fulfil dreams of families, our Malls and Leisure Centres bring pleasure to the citizens, our Commercial and Industrial Hubs facilitate business. In our projects, we make life easier and happier. **Welcome to Shristi. Welcome to life!**

Over two decades of a memorable journey

At Shristi, we have long realized that spreading happiness brings us wealth that is truly priceless. The smile on the face of a new home owner when he receives his property is worth much more than what it costs. The glow in his eyes when he begins a new venture from a mall, hotel or business hub built by us transcends any business investment.

In our quest to spread happiness, we have, over the decades, perfected the art of making dreams of home and business possible within budget. We do it by detailed planning that ensures least wastage and best utilization of resources. We do it through innovative construction techniques that reduce costs without compromising on quality. And finally, we do it by building a variety of spaces so that the benefits extend to people from all walks of life.

The recent affordable housing schemes implemented by Central and State Governments, such as Pradhan Mantri Awaas Yojana (PMAY), Micro Housing Finance, and Credit Linked Subsidy Scheme (CLSS) have, today, opened up a world of realizable dreams even for those with limited budgets. In all our residential projects, we help customers in fulfilling their desire to find better living.

At the heart of every operation, we are constantly driven by the zeal to spread smiles across all segments of society.

Shristi has a strong credential when it comes to developing and handing over projects. With an impressive 2.4 million sq. ft of residential projects already developed and handed over and over 1 million sq. ft of residential projects under development, Shristi is one of the frontline developers in the country. As far as the retail and logistics projects are concerned, Shristi has already developed 7 lakh sq. ft of retail and 3.2 million sq. ft of warehousing and logistics space with a long list of other projects in the pipeline.

Welcome to Shristi. Welcome to life!

COVID – 19 PANDEMIC

The COVID-19 pandemic has emerged as a global challenge, creating disruption across the world since last year. Global solutions are needed to overcome the challenges – businesses & business models have transformed to create a new work order and model adopted by the Corporates. The surge in cases during the COVID-19 second wave, has resulted in large parts of India, in almost all cities, town and villages now being under restrictions which include complete lockdown, partial lockdowns, weekend lockdowns, night curfews, etc. The State Government has advised Corporates for “Work From Home Policy” for their offices/sites. The physical and emotional wellbeing of employees continues to be a top priority for the Company. Comprehending the importance of the role played by vaccines in our fight against the virus, Management has done a vaccination programme across all offices/sites campuses for the employees and their family during this pandemic. The vaccination programme is still being running at site and offices campuses until complete vaccination of the employees/workers etc.

MACRO-ECONOMIC SCENARIO

The Indian economy was negatively impacted by an unprecedented health crisis in 2020-21 with the highly contagious corona virus (Covid-19) spreading across the country. In response to the pandemic, Government has taken several proactive preventive and mitigating measures like nationwide lockdown. The lockdown measures imposed to contain the spread of Covid-19 pandemic in India, ubiquitously affected employment, business, trade, manufacturing, and services activities. The Government announced a special economic and comprehensive package under Atmanirbhar Bharat to fight the Covid-19 pandemic in India. Several structural reforms announced as part of the package, inter alia, include Production Linked Incentive Schemes (PLISC), launch of Emergency Credit Line Guarantee Scheme (ECLGS) 2.0, PM Awaas Yojana (PMAY) – Urban, demand booster for Residential Real Estate Income Tax relief for Developers & Home Buyers.

The real Gross Domestic Product (GDP) growth is projected to contract by 7.7 percent in 2020-21 as compared to a growth of 4.2 percent in 2019-20. GDP growth, however, is expected to rebound strongly in 2021-22 owing to the reform measures undertaken by the Government.

INDUSTRY OVERVIEW

Infrastructure including real estate sector is one of the key drivers for the Indian economy. The impact of Covid 19 on the infrastructure and construction sector in India has been extensive and damaging. The restrictions imposed by the Government of India, State Governments and the Union Territories to control the spread and impact of the virus have prevented work on projects, adversely impacted supply chains, plant, equipment, materials and manpower. Delays and disruptions to completion of projects are inevitable with concomitant losses, cost and expenses. Infrastructure comprises of four sub sectors - housing, retail, hospitality, and commercial. Government of India along with the governments of respective States has taken several initiatives to encourage development in the sector. The Smart City Project, with a plan to build 100 smart cities, is a prime opportunity for real estate companies. India is expected to become the third largest construction market by 2022. According to the data released by Department for Promotion of Industry and Internal Trade Policy (DPIIT), construction is the third-largest sector in terms of FDI inflow. According to Indian Infrastructure Sector in India Industry Report, India plans to spend US\$ 1.4 trillion on infrastructure in between the period of 2019-23 to promote sustainable development in the country. The Company is convinced that the country will continue to surge ahead of its peers despite of various challenges.

OPPORTUNITIES/ OUTLOOK AND FUTURE PLANS

In order to sustain the growth momentum and to create jobs, the government has been proactively spending on infrastructure creation. Further, your Company is also engaged in the business of improving water supply and sanitation and hospitality business through its subsidiaries and JV partners and the Company is hopeful of decent growth in this business due to modernization & capacity augmentation of sewer and water lines in India.

THREATS, RISK & CONCERNS

Your Company is exposed to risks such as economic, taxation and environmental risks and also the investment outlook towards the Indian infrastructure & real estate sector. The real estate sector is also heavily dependent on various statutory approvals required from central, state & local governments and any delay in obtaining approvals can warrant revised scheduling of project timelines. Some of the risks that may arise in the normal course of its business and impact its ability for future developments inter-alia, include credit risk, liquidity risk, regulatory risk and market risk. Your Company has appropriate risk management systems in place for identification and assessment of risks, measures to mitigate them, and mechanisms for their proper and timely monitoring and reporting. Regulation 21 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 regarding the formation of the Risk Management Committee is not applicable to your Company.

18. Transfer to Investor Education and Protection Fund (IEPF)

a. Unpaid / Unclaimed Dividend on Equity shares

Pursuant to Section 124(5) of the Companies Act, 2013, dividends which remain unpaid/unclaimed for a period of 7 (Seven) years from the date of transfer to the unpaid dividend account are required to be transferred by the Company to the Investor Education and Protection Fund (IEPF) administered by the Central Government. Given below are the dates of declaration of dividend and corresponding dates when unpaid/unclaimed dividends are due for transfer to IEPF:

Financial Year	Date of declaration of Dividend	Due date of transfer to IEPF
2013-14	19.09.2014	27.10.2021
2014-15	23.09.2015	29.10.2022
2015-16	23.09.2016	29.10.2023
2016-17	22.09.2017	24.10.2024
2017-18	28.09.2018	03.11.2025
2018-19	27.09.2019	02.11.2026
2019-20	24.12.2020	28.01.2027

The shareholders are regularly advised to claim the un-encashed dividends lying in the unpaid dividend accounts of the Company before the due dates for crediting the same to the IEPF. Moreover, the details of unclaimed dividend by the Members for the past years which have not been transferred to the Central Government are readily available for viewing by the members on the website of the Company at www.shristicorp.com. Further, during the year under review, the Company has transferred Rs. 46,381/- to the Investor Education and Protection Fund (IEPF).

b. Transfer of Equity shares which have remained unpaid and unclaimed for seven consecutive years

During the year under review, the Company transferred 8,170 Equity shares to IEPF in accordance with the provisions of Section 124(6) and 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 after sending letters to those shareholders and also making an advertisement in the newspapers in this regard. Details of the shares transferred to IEPF are available on the Company's website under the link https://www.shristicorp.com/wp-content/uploads/2017/10/Form-IEPF-4_SIDL.pdf

The Company will issue letters to those shareholders whose shares are eligible to be transferred to IEPF during the financial year 2021-22 by giving them at least 3 (three) months' notice and also informing them through an appropriate advertisement in the newspapers. However, the shares transferred to IEPF, including all benefits accruing on such shares, if any, can be claimed back by the Shareholders from the IEPF Authority after following the procedure prescribed under the Rules.

19. National Electronic Clearing Service (NECS)

The Securities and Exchange Board of India (SEBI) vide its Circular No. CIR/MRD/ DP/10/2013 dated 21st March 2013, has mandated usage of electronic mode for making cash payments such as dividend, etc. to the investors of Companies whose securities are listed on the Stock Exchanges. In the absence of requisite details to make electronic payment, companies may use physical payment instruments for making cash payments to the investors

and are required to mandatorily print the bank account details on such payment instruments.

The Company is using NECS mandate for remittance of dividend either through NECS or other electronic modes failing which the bank details available with the depository participants and the Company's RTA are printed on the dividend warrant. All the arrangements are subject to RBI guidelines, issued from time to time.

Members, who wish to avail of the electronic facility of remittance, may update their bank details with the depository participants for shares held in demat form and Members holding securities of the Company in physical form are requested to update their bank details with the Company or its RTA by sending a duly filled and signed NECS mandate. Members may notify their depository participants and the Company or its RTA, respectively, about any change in the bank account details.

20. Nomination

Individual shareholders holding shares singly or jointly in physical form can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination facility in respect of shares held in electronic form is also available with the depository participants as per the bye – laws and business rules applicable to NSDL and CDSL. Nomination forms can be obtained from the Company's Registrar and Share Transfer Agents.

21. Reconciliation of Share Capital Audit

As stipulated by SEBI, a qualified practicing Company Secretary carries out an audit to reconcile the total admitted capital with NSDL and CDSL and the total issued and listed capital. This audit is carried out every quarter and the report thereon is submitted to the Stock Exchanges. The audit confirms that the total Listed and Paid-up capital is in agreement with the aggregate of the total number of shares in dematerialized form (held with NSDL and CDSL) and total number of shares in physical form.

22. Secretarial Audit

The Company undertook Secretarial Audit of records and documents in compliance with section 204 of the Companies Act 2013 and the Rules made thereunder. The Secretarial Audit Report obtained from a Practicing Company Secretary confirms that the Company has complied with all the applicable laws on the Company and the same has been provided in this Annual Report as an Annexure to Director's Report.

23. Disclosures in relation to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013:

Independent Auditor's Report

To,

The Members of

Shristi Infrastructure Development Corporation Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Shristi Infrastructure Development Corporation Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India), of the state of affairs of the Company as at 31st March, 2021, its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Emphasis of Matter

We draw attention to

Note 31.15 to the Financial Statement regarding an arbitration dispute between Rishima SA Investments LLC, Mauritius ("Claimant") and the Company in respect of which the Arbitration Tribunal has issued a Partial Award ("Partial Award") and Final Award ("Final Award") in favour of the Claimant for payment of an amount of Rs. 76,100 Lakh with interest calculated till 30.04.2019 amounting to Rs. 1,390 Lakh and in case the same cannot be enforced in any Court or Tribunal a sum of Rs. 16,020 Lakh with interest calculated till 30th April, 2019 amounting to Rs.2,621 Lakh towards the value of their investment in Sarga Hotel Pvt. Ltd, a subsidiary of the Company together with aggregate costs, damages etc. of Rs.1,808 Lakh. Pending outcome of the enforcement proceedings before Hon'ble High Court of Delhi and based on the legal opinion obtained by the Company, the management does not consider necessary any provision in this respect. Our opinion is not modified in respect of this matter.

Note 31.17 to the Financial Statement regarding Sarga Hotel Private Limited, a material subsidiary of the Company has been admitted u/s 9 of the Insolvency & Bankruptcy Code, 2016 by the NCLT and CIRP process has commenced. Our

opinion is not modified in respect of this matter.

Note 31.19 to the Financial Statement which explains the management's assessment of impact of COVID-19 pandemic on the Statement of the Company for the year ended 31st March, 2021. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
<p>Measurement of revenue recorded from sale of residential units</p> <p>Revenues from sale of residential units represent the largest portion of the total revenues of the Company. Revenue is recognized upon transfer of control of residential units to customers for an amount, which reflects the consideration the Company expects to receive in exchange for those units. The point of revenue recognition is normally on handover of the unit to the customer on completion of the project. The Company records revenue at a point in time upon transfer of control of residential units to the customers.</p> <p>Considering the volume of the Company's projects and the competitive business environment, there is a risk of revenue being overstated (for example, through premature revenue recognition i.e. recording revenue prior to handover of unit to the customers) or understated (for example, through improperly shifting revenues to a later period) in order to present consistent financial results. Since revenue recognition has direct impact on the Company's profitability, there is a possibility of the Company being biased, hence this is considered as a key audit matter.</p> <p>Refer Notes 2.9 and 31(8) to the Standalone Financial Statements.</p>	<p>Our audit procedures on revenue recognition included the following:</p> <ul style="list-style-type: none"> • Evaluation of the Company's accounting policies for revenue recognition on sale of residential units are in line with the applicable accounting standards and their application to customer contracts including consistent application; • Evaluation of the design and implementation and testing the operating effectiveness of key controls around approvals of contracts, milestone billing, handover letters and controls over collection from customers; • For samples selected, verifying the underlying documents – handover letter, sale agreement signed by the customer and the collections; • Cut-off procedures for recording of revenue in the relevant reporting period; and • Considered the adequacy of the disclosures in notes to the standalone financial statements in respect of recognizing revenue for residential units.

Information Other than the Standalone financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is

sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order.
2. (A) As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Shristi Infrastructure Development Corporation Limited (“the Company”) as of 31st March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with the Indian Accounting Standards specified under Section 133 of the Act. A company’s internal financial control over financial reporting includes those policies and procedures that:

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with the Indian Accounting Standards specified under Section 133 of the Act, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming part of the Standalone Financial Statements

1. Corporate information

Shristi Infrastructure Development Corporation Ltd. is engaged in Construction and Infrastructure Development.

Its registered office is situated at Plot No. X-1, 2 & 3, Block – EP, Sector – V, Salt Lake City, Kolkata – 700 091. The Company's shares are listed on BSE Limited and The Calcutta Stock Exchange Limited. The financial statements for the year ended 31st March, 2021 were approved for issue by the Board of Directors on 30th June, 2021.

2. Significant accounting policies

2.1 Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

All the Ind AS issued by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved for issue by the Board of Directors has been considered in preparing these financial statements.

Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

2.2 Basis of preparation

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All amount disclosed in the financial statements including notes thereon have been rounded off to the nearest lakh as per the requirement of Schedule III to the Act, unless stated otherwise.

2.3 Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

2.4 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements. The Company's normal operating cycle in respect of operations relating to the construction and development of real estate projects may vary from project to project depending upon the size of the project, type of construction/development, project complexities and related approvals.

Notes Forming part of the Standalone Financial Statements (Contd.)

2.5 Property, plant and equipment (PPE) and Depreciation

- a) Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of PPE recognised as at 1st April, 2016 measured as per the previous GAAP.
- b) Cost is inclusive of inward freight, non-refundable taxes and duties and directly attributable costs of bringing an asset to the location and condition of its intended use.

The cost and related accumulated depreciation are derecognised from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

- c) Depreciation on items of PPE is provided on a written down value basis to allocate their cost, net of their residual value over the estimated useful life of the respective asset as specified in Schedule II to the Companies Act, 2013.

The estimated useful lives of PPE of the Company are as follows:

Building	3 years
Plant and equipment	15 years
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	5 years
Computers & Accessories	3-6 years

The estimated useful lives, residual values and method of depreciation are reviewed at each Balance sheet date and are and changes, if any, are treated as changes in accounting estimate.

2.6 Intangible assets

Intangible assets are recognized at cost when it is probable that future economic benefits that are attributable to asset will flow to the company and the cost of the asset can be measured reliably. For this purpose, cost includes deemed cost which represents the carrying value of Intangible assets recognised as at 1st April, 2016 measured as per the previous GAAP.

Development rights for land will be amortised in future years upon completion of the project.

2.7 Impairment of non financial assets

Non financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognized is reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment loss had not been recognized.

Notes Forming part of the Standalone Financial Statements (Contd.)

2.8 Inventories

Inventories are valued at cost or net realizable value, whichever is lower. The cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Such cost is computed on yearly weighted average basis.

The cost of construction/project work in progress includes cost of land/development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

2.9 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable upon transfer of control of promised goods or services to customers at an amount to which the entity expects to be entitled following a five-step model in accordance with Ind AS 115. Revenue is measured based on the consideration specified in a contract with a customer, and is reduced for volume discounts, rebates and other similar allowances.

Revenue from Operations:

Revenue from sale of apartments and car parking is recognized if the performance obligation of the same is satisfied. Performance obligation is satisfied at a point in time as per which income is recognized as and when control in property is passed to the buyer, i.e. possession / handover of the unit is given to the buyer.

Revenue from construction/project related activities is recognized over time to the extent of performance obligation satisfied and control is transferred to the customer. Contract revenue is recognized at allocable transaction price which represents the cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion method is the proportion of cost of work performed to-date, to the total estimated contract costs.

Revenue from rent and maintenance charges is recognized if the performance obligation of the same is satisfied. Performance obligation is satisfied over the period of time. The Company measures its performance obligation by using output method as specified in the Standard on the basis of number of days the property was rented.

Other Income:

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend Income

Dividend income is recognised when the Company's right to receive the dividend is established.

Share in profits of partnership firm investments

The Company's share in profits from a firm where the Company is a partner, is recognised on the basis of such firm's audited accounts, as per terms of the partnership deed.

All other incomes are accounted for on accrual basis.

Unbilled receivables

Unbilled receivables represent revenue recognized based on percentage of completion method, as per policy on revenue, over and above the amount due as per the payment plans agreed with the customers.

Notes Forming part of the Standalone Financial Statements (Contd.)

2.10 Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset are capitalized as part of the cost of such asset till such time that is required to complete and prepare the asset to get ready for its intended use. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

2.11 Provisions, contingent liabilities and contingent assets

- a) Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.
- b) Contingent liability is disclosed for possible obligations which will be confirmed only by future events not wholly within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.
- d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.12 Employee benefits

a) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

b) Defined contribution plans

Company's Contributions to Provident are charged to the Statement of Profit and Loss in the year when the contributions to the respective funds are due.

c) Defined benefit plans

Gratuity is in the nature of a defined benefit plan. The cost of providing benefits under the defined benefit obligation is calculated on the basis of actuarial valuations carried out at reporting date by independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or Loss on account of remeasurements are recognised immediately through other comprehensive income in the period in which they occur.

d) Other employee benefits

The employees of the Company are entitled to compensated leave which is recognised as an expense in the statement of profit and loss account as and when they accrue. The liability is calculated based on actuarial valuation using projected unit credit method. These benefits are unfunded.

2.13 Investments in equity instruments of subsidiaries, joint ventures and associates

Investment in subsidiaries, associates and joint ventures are carried at cost as at the transition date i.e, 1st April, 2016.

Notes Forming part of the Standalone Financial Statements (Contd.)

2.14 Financial instruments, Financial assets, Financial liabilities and Equity instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

i) Financial Assets

(a) Recognition

Financial assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

(b) Classification

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- 1) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- 2) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- 3) fair value through profit or loss (FVTPL), where the assets does not meet the criteria for categorization as at amortized cost or as FVTOCI. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

(c) Impairment

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

Notes Forming part of the Standalone Financial Statements (Contd.)

(d) De-recognition

Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. If the asset is one that is measured at:

(i)	amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
(ii)	fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

ii) Financial liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

iii) Equity instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

v) Dividend distribution

Dividends paid (including income tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

vi) Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement" (Ind AS – 113).

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions.

In determining the fair value of financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Notes Forming part of the Standalone Financial Statements (Contd.)

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

2.15 Income taxes

Income tax expense comprises of current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

2.16 Earnings per Share

- a) Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potential dilutive equity shares are adjusted retrospectively for all periods presented for any share split and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

2.17 Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM).

The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director.

The accounting policies adopted for segment reporting are in line with the accounting policies adopted for preparing and presenting the Financial Statements of the Company as a whole. In addition, the following specific accounting policies have been followed for segment reporting:

- a) Segment revenue includes sales and other income directly identifiable with/allocable to the segment including inter segment transfers.

Notes Forming part of the Standalone Financial Statements (Contd.)

- b) Revenue, expenses, assets and liabilities are identified to segments on the basis of their relationship to the operating activities of the segment. Segment results represent profits before finance charges, unallocated corporate expenses and taxes. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on direct and/or on a reasonable basis, have been disclosed as “Unallocable”.

2.18 Foreign Currency Transactions

The functional and presentation currency of the Company is Indian Rupee.

Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

2.19 Leases

Where the Company is lessee

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased asset, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are recognized as finance costs in the statement of profit and loss.

Right of use asset is depreciated on a straight-line basis over the lower of the lease term or the estimated useful life of the asset unless there is reasonable certainty that the Company will obtain ownership, wherein such assets are depreciated over the estimated useful life of the asset.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Company is the lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

2.20 Cash and cash equivalents

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Company's cash management.

Notes Forming part of the Standalone Financial Statements (Contd.)

2.21 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.1 Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

i) Revenue recognition from construction contracts

Revenue is recognised using the percentage of completion method as construction progresses in respect of construction contracts. The percentage of completion is estimated by reference to the stage of the projects determined based on the proportion of costs incurred to date and the total estimated costs to complete.

ii) Revenue recognition from development contracts

The Company recognizes revenue using the completed contract method. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the Company used the available contractual and historical information.

iii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

iv) Estimation of Defined benefit obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the actuary considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

v) Fair value measurements and valuation processes:

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets is determined using valuation techniques. The Group uses its judgement to select a variety of method / methods and make assumptions that are mainly based on market conditions existing at the end of each financial year.

The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

vi) Provisions and contingent liabilities

The Company has ongoing litigations with various regulatory authorities and third parties. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

3.2 Recent Accounting Pronouncements

Effective 1st April, 2020, there were certain amendments in Indian Accounting Standards (Ind AS) vide Companies (Indian Accounting Standards) Amendment Rules, 2020 notifying amendment to existing Ind AS 1 'Presentation of Financial Statements', Ind AS 8 'Accounting Policies, Changes in Estimates and Errors', Ind AS 10 'Events after the Reporting Period', Ind AS 34 'Interim Financial Reporting', Ind AS 37 'Provisions, Contingent Liabilities and Contingent Assets', Ind AS 103 'Business Combinations', Ind AS 107 'Financial Instruments: Disclosures', Ind AS 109 'Financial Instruments', Ind AS 116 'Leases'.

Ind AS 1 has been modified to redefine the term 'Material' and consequential amendments have been made in Ind AS 8, Ind AS 10, Ind AS 34 and Ind AS 37.

Ind AS 103 dealing with 'Business Combination' has defined the term 'Business' to determine whether a transaction or event is a business combination.

Amendment to Ind AS 107 and 109 relate to hedging relationship directly affected by Interest Rate Benchmark reforms. The amendment among other things requires an entity to assume that Interest Rate Benchmark on which hedged cash flows are based is not altered as a result of Interest Rate Benchmark reforms.

Ind AS 116 dealing with 'Leases' permitted lessees, as a practical expedient, not to assess whether rent concessions that occur as a direct consequence of COVID-19 pandemic and meet specified conditions are lease modifications and, instead, to account for those rent concessions as if they were not lease modifications.

Revision in these standards did not have any material impact on the profit/loss and earning per share for the year.

Standards issues but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from 1st April, 2021.

There is no pending litigations before any court/authority.

The amounts shown in (i) above represent the best possible estimates arrived at on the basis of available information. The uncertainties and timing of the cash flows are dependent on the outcome of different legal processes which have been invoked by the Company or the claimants, as the case may be and, therefore, cannot be estimated accurately.

The Company does not expect any reimbursement in respect of above contingent liabilities.

In the opinion of the management, no provision is considered necessary for the disputes mentioned above on the ground that there are fair chances of successful outcome of the appeals.

- The Company has received memorandum from some of the suppliers (as required to be filed by the suppliers with the notified authority under the Micro, Small and Medium Enterprises Development Act, 2006) claiming their status as on 31st March 2021 as micro, small and medium enterprises. However, the amount due to micro and small enterprises as per requirement of Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006 is Rs. Nil (31st March 2020 - Nil).
- The Board of Directors in their meeting held on 14th February, 2017 have approved a scheme of arrangement pursuant to section 230, 232 and other applicable provisions of the Companies Act 2013, for (1) Amalgamation of East Kolkata Infrastructure Development Private Limited (wholly owned subsidiary of the Company) with the Company and (2) Demerger of hospitality business of the Company to Vipani Hotels & Resorts Private Limited (wholly owned subsidiary of the Company) which would be listed with mirror shareholding as that of the Company. Appointed date of the scheme is 01.01.2017. SEBI and BSE have given their approval for the scheme vide their letters dated 12th May, 2017. Shareholders & Creditors gave their approval on 25th October, 2017 and the matter was listed for further hearing at NCLT on 23rd March, 2020. On the said date the hearing was adjourned due to COVID-19. Since the scheme is subject to various regulatory approvals, pending such approvals, the scheme has not been accounted.

b) Defined Benefit Plans/Long Term Compensated Absences :

Description of Plans

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the said Act, an employee who has completed five years of service is entitled to specific benefit. The Gratuity plan provides a lumpsum payment to employees at retirement, death, incapacitation or termination of employment. The level of benefits provided depends on the member's length of service and salary at retirement age etc.

Gratuity Benefits and Leave Encashment Benefits are unfunded in nature. The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method at the year end.

The following tables summarise the components of net benefit expense recognised in the Statement of Profit and Loss and amounts recognised in the Balance Sheet for the said plan:

c) Risks related to defined benefit plans:

The main risks to which the Company is exposed in relation to operating defined benefit plans are :

- i) **Mortality risk:** The assumptions adopted by the Company make allowances for future improvements in life expectancy. However, if life expectancy improves at a faster rate than assumed, this would result in greater payments from the plans and consequently increases in the plan's liabilities. In order to minimise this risk, mortality assumptions are reviewed on a regular basis.
- ii) **Interest Rate Risk:** The present value of Defined Benefit Plans liability is determined using the discount rate based on the market yields prevailing at the end of reporting period on Government bonds. A decrease in yields will increase the fund liabilities and vice-versa.
- iii) **Salary cost inflation risk:** The present value of the defined benefit plan liability is calculated with reference to the future salaries of participants under the Plan. Increase in salary due to adverse inflationary pressures might lead to higher liabilities.

d) Other disclosures :

- i) The following are the assumptions used to determine the benefit obligation:
 - a) **Discount rate:** The yield of government bonds are considered as the discount rate. The tenure has been

Notes Forming part of the Standalone Financial Statements (Contd.)

considered taking into account the past long term trend of employees' average remaining service life which reflects the average estimated term of the post - employment benefit obligations.

- b) Rate of escalation in salary : The estimates of rate of escalation in salary, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.
 - c) Rate of return on plan assets: Not applicable as plans are not funded.
 - d) Attrition rate : Attrition rate considered is the management's estimate based on the past long- term trend of employee turnover in the Company.
- ii) The Gratuity and Provident Fund expenses have been recognised under "Contribution to Provident and Other Funds" and Leave Encashment under "Salaries and Wages" under Note No. 26.

6. Details of Loan, guarantee and Investments covered under section 186 (4) of the Companies Act, 2013 :

Loans given has been disclosed in Note No. 13 of the financial statement and the same has been provided for business purposes. The Company has neither given any guarantee, security nor made any investment during the year.

7. Operating Segment :

The Company's business activity primarily falls within a single business segment i.e. Construction and Infrastructure development, in term of Ind AS 108 on Operating Segment. All the activities of the Company revolve around the main business. As such there are no separate reportable segments as per requirements of Accounting Standard (Ind AS- 108) on operating segment. Further, the Company operates only in India, hence additional information under geographical segments is also not applicable. The Managing Director of the Company has been identified as the Chief Operating Decision Maker (CODM). The Chief Operating Decision Maker also monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment and hence, there are no additional disclosures to be provided other than those already provided in the financial statements. The Company operated only in India during the year ended 31st March, 2021 and 31st March, 2020. Revenue from one customer amounted to more than 10% of the total revenue amounting to Rs. Nil (31st March 2020 - Nil).

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value of cash and cash equivalents, other bank balances, trade receivables, loans and other current financial assets, short term borrowings from body corporates, trade payables and other current financial liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.

Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using adjusted net asset value method. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2.

The following tables provide the fair value hierarchy of the Company's assets and liabilities measured at fair value on a recurring basis:

12. Financial risk management objectives and policies

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This

Notes Forming part of the Standalone Financial Statements (Contd.)

note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

(a) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under financial instrument or a customer contract leading to a financial loss. The Company is exposure to credit risk from its operating activities primarily trade receivables and security deposit and from its financing activities including deposits placed with banks. Credit risk from balances with bank and other financial instrument is managed in accordance with company's policies. Surplus funds are parked only in approved investment categories with well defined limits. Investment category is periodically reviewed by the Board of Directors of the Company.

Credit risk from balances with bank is managed in accordance with company's policies according to which surplus funds are parked only in approved investment categories with well defined limits. Investment category is periodically reviewed by the Board of Directors of the Company.

Credit risk arising from balances with banks and other cash equivalents is limited and no collaterals are held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by credit rating agencies.

Loans and other financial assets measured at amortized cost includes loans to related parties, security deposits and others. Credit risk related to these financial assets are managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system is in place to ensure that the amounts are within defined limits.

Customer credit risk is managed as per company's established policy, procedure and control related to credit risk management. Credit quality of the customer is assessed based on his previous track record. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each balance sheet date on an individual basis for major customers. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss. The maximum exposure to credit risk at the balance sheet date is the carrying value of each class of financial assets.

The Company assesses and manages credit risk of financial assets on the basis of assumptions, inputs and factors specific to the class of financial assets. The Company provides for expected credit loss on Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets based on 12 months expected credit loss/life time expected credit loss/ fully provided for. Life time expected credit loss is provided for trade receivables.

Expected credit loss for trade receivables under simplified approach

In respect of trade receivables, the Company considers provision for lifetime expected credit loss. Given the nature of business operations, the Company's trade receivables has low credit risk. Further, historical trends indicate any shortfall between such deposits held by the Company and amounts due from customers have been negligible. Hence, no loss allowances using life time expected credit loss mode is required.

Notes Forming part of the Standalone Financial Statements (Contd.)

(b) Liquidity risk

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligation on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

The tables below summarises the Company's financial liabilities into relevant maturity groupings based on their contractual maturities :

(c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market rate risk comprises of currency risk, interest rate risk and other price risk such as equity price risk and commodity risk.

Foreign currency risk

Foreign currency risk is the risk of impact related to fair value of future cash flows if an exposure in foreign currency, which fluctuate due to change in foreign currency rate. The Company has no international transactions and is not exposed to foreign exchange risk.

Interest rate risk

Interest rate risk is the risk that an upward movement in the interest rate would adversely effect the borrowing cost of the company. The company manages its interest rate risk by regular monitoring and taking necessary actions as are necessary to maintain an appropriate balance.

i) Liabilities

The Company's fixed rate borrowings are carried at amortised cost. They are, therefore, not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Notes Forming part of the Standalone Financial Statements (Contd.)

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

a) Interest rate risk exposure

(Rs. in lakh)

	March 31, 2021	March 31, 2020
Variable rate borrowings	51,771.88	50,109.13

b) Sensitivity analysis

	March 31, 2021	March 31, 2020
Interest rates - increase by 70 basis points	25,368.22	24,553.47
Interest rates - decrease by 70 basis points	25,368.22	24,553.47

ii) Assets

The company's fixed deposits, interest bearing security deposits and loans are carried at fixed rate. Therefore, not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Price risk

Price risk is the risk that the fair value of financial instrument will fluctuate due to change in market traded price.

The Company's exposure to price risk arises from investments held and classified as FVTPL. To manage the price risk arising from investments in mutual funds, the Company diversifies its portfolio of assets.

13. Capital Management

(a) Risk management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity share-holders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders and maintain an optimal capital structure to reduce the cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. The Company has complied with these covenants.

Qualified Opinion

We have audited the accompanying consolidated financial statements of **Shristi Infrastructure Development Corporation Limited** (hereinafter referred to as “the Holding Company”), its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), associate, joint ventures and partnership firms, which comprise the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended, and notes to the Consolidated Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries, associate, joint venture and partnership firms as were audited by the other auditors, except for the possible effect of the matters described in the ‘Basis of Qualified opinion’ section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate, joint venture and partnership firms as at 31 March 2021, of its consolidated losses and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Qualified Opinion

1. The following (as reproduced) has been reported by the statutory auditors of a material subsidiary namely, Sarga Hotel Private Limited vide their report dated 26th June, 2021:
 - a) Corporate Insolvency Resolution Process (“CIRP”): The Hon’ble National Company Law Tribunal Kolkata (“NCLT”) by an order dated 12th August, 2020 admitted the Corporate Insolvency Resolution Process (“CIRP”) consequent upon application filed by Universal International Creation Limited u/s 9 of IBC Code and appointed Ms. Savita Agrawal as the Interim Resolution Professional (“IP”) to manage the affairs of the Company as per the provisions of the Code. The CIRP is ongoing.

The NCLT order also provided for a moratorium with effect from 12.08.2020 till the completion of the Corporate Insolvency Resolution Process.
 - b) In view of the initiation of CIRP, the Company has not provided interest during the current financial year on the loans obtained from Banks and financial Institutions which is not in accordance with accepted accounting principles. Confirmations from Banks and Financial Institutions have not been received as the loans obtained has turned into NPA.
2. One of the subsidiary Company namely, Vindhyachal Attivo Food Park Private Limited has not recognized interest on unsecured loan aggregating to Rs. 20.80 lakhs from April 01, 2020 onwards and liability towards TDS payable thereon Rs. 1.56 lakhs, which is not in compliance with Ind AS 1 Presentation of Financial Statements.

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements’ section of our report. We are independent of the Group, its associate, joint venture and partnership firms in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled

our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the “Other Matters” paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of matter

We draw attention to

- a) Note 31.16 of the Consolidated Financial Statement regarding an arbitration dispute between Rishima SA Investments LLC, Mauritius (“Claimant”) and the Company in respect of which the Arbitration Tribunal has issued a Partial Award (“Partial Award”) and Final Award (“Final Award”) in favour of the Claimant for payment of an amount of Rs. 76,100 Lakh with interest calculated till 30.04.2019 amounting to Rs. 1,390 Lakh and in case the same cannot be enforced in any Court or Tribunal a sum of Rs. 16,020 Lakh with interest calculated till 30th April, 2019 amounting to Rs.2,621 Lakh towards the value of their investment in Sarga Hotel Pvt. Ltd, a subsidiary of the Company together with aggregate costs, damages etc. of Rs.1,808 Lakh. Pending outcome of the enforcement proceedings before Hon’ble High Court of Delhi and based on the legal opinion obtained by the Company, the management does not consider necessary any provision in this respect.
- b) The following Emphasis of matter (as reproduced) has been reported by the statutory auditors of a material subsidiary namely, Sarga Hotel Private Limited vide their report dated 26th June, 2021:

As a consequence to acute financial stress being faced by the Company in recent years, the Company’s net worth has been eroded due to accumulated losses. Keeping in view the current status of company’s operations it is likely that the accumulated losses are further enhanced creating a further adverse impact on it’s net worth. The financial statements have been prepared on a going concern basis although consequent upon severe financial crises faced by the company its net worth is eroded.
- c) Note 31.22 of the Consolidated Financial Statement which explains the management’s assessment of impact of COVID-19 pandemic on the Statement of the Company for the year ended 31st March, 2021.

Our opinion is not modified in respect of above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
<p>Measurement of revenue recorded from sale of residential units by the Holding Company</p> <p>Revenues from sale of residential units represent the largest portion of the total revenues of the Holding Company. Revenue is recognised upon transfer of control of residential units to customers for an amount, which reflects the consideration the Holding Company expects to receive in exchange for those units. The point of revenue recognition is normally on handover of the unit to the customer on completion of the project. The Holding Company records revenue at a point in time upon transfer of control of residential units to the customers.</p> <p>Considering the volume of the Holding Company's projects and the competitive business environment, there is a risk of revenue being overstated (for example, through premature revenue recognition i.e. recording revenue prior to handover of unit to the customers) or understated (for example, through improperly shifting revenues to a later period) in order to present consistent financial results. Since revenue recognition has direct impact on the Holding Company's profitability, there is a possibility of the Holding Company being biased, hence this is considered as a key audit matter.</p> <p>Refer Notes 2.10 and 31.8 to the Consolidated Financial Statements</p>	<p>Our audit procedures on revenue recognition included the following:</p> <ul style="list-style-type: none"> • Evaluation of the Holding Company's accounting policies for revenue recognition on sale of residential units are in line with the applicable accounting standards and their application to customer contracts including consistent application; • Evaluation of the design and implementation and testing the operating effectiveness of key controls around approvals of contracts, milestone billing, handover letters and controls over collection from customers; • For samples selected, verifying the underlying documents – handover letter, sale agreement signed by the customer and the collections; • Cut-off procedures for recording of revenue in the relevant reporting period; and • Considered the adequacy of the disclosures in notes to the consolidated financial statements in respect of recognising revenue for residential units.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditor's report

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of

these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associate, joint venture and partnership firms in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group and of its associate, joint venture and partnership firms are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company. and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies/entities included in the Group and of its associate, joint venture and partnership firms are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate, joint venture and partnership firms are responsible for overseeing the financial reporting process of each company/entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company, its subsidiary companies, associate, joint venture and partnership firms which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group, its associate, joint venture and partnership firms to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report and the audit evidence obtained by other auditors in terms of their reports referred to in Other Matter paragraph below. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associate, joint venture and partnership firms to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of 8 subsidiaries and 3 partnership firms whose financial statements reflects total assets of Rs. 81,324.79 lakh as at 31st March, 2021, total revenue of Rs. 22,158.29 lakh and net cash flows of Rs. 206.55 lakh for the year ended on that date. These financial statements have been audited by other auditors, whose report has been furnished to us by the Management and our opinion on the consolidated financial statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and

partnership firms and our report in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and partnership firms, is based solely on the report of other auditors.

- (b) The consolidated financial statements also include the Group's share of net profit (including other comprehensive income) of Rs. Nil Lakh for the year ended 31st March, 2021, as considered in the consolidated financial statements, in respect of an associate, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of that associate, and our report in so far as it relates to the aforesaid associate, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.
- (c) Due to the COVID-19 pandemic, travel restrictions were imposed by the Government/local administration. Hence, the audit processes were carried out electronically by remote access. The necessary records were made available by the management through digital medium and were accepted as audit evidence while reporting for the current period.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors and the unaudited financial statements certified/ reported upon by the Management of the respective entities.

Report on Other Legal and Regulatory Requirements

1. (A) As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) Except for the possible effect of the matters described in the 'Basis of Qualified opinion' section of our report, in our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) The matter described in the Basis for Qualified Opinion paragraph and Emphasis of Matter paragraph to this report, in our opinion, may have an adverse effect on the functioning of the Group;
 - f) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 taken on record by the Board of Directors of the Holding Company and its subsidiaries, associate and joint venture incorporated in India and the reports of the statutory auditors of its subsidiary companies, associate and joint venture incorporated in India, none of the Directors of the Group companies and its

associate and joint venture is disqualified as on 31st March, 2021 from being appointed as a Director in terms of Section 164 (2) of the Act.

With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies, associate and joint venture incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the Group, its associate, joint venture and partnership firm – Refer Note No. 31.1 to the consolidated financial statements.

Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.

There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies, associate company and joint venture.

With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us and based on the reports of the statutory auditors of such subsidiary companies which were not audited by us, the remuneration paid during the current year by the Holding Company to its directors is in accordance with the provisions of Section 197 read with Schedule V to the Act.

“Annexure A” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Group, its associate and joint venture as of and for the year ended 31st March, 2021, we have audited the internal financial controls over financial reporting of **Shristi Infrastructure Development Corporation Limited** (hereinafter referred to as “the Holding Company”) and its subsidiary companies, associate and joint venture and which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies and associate and joint venture are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary companies, its associate and joint venture, based on our audit and reports of other auditors. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary companies, its associate and joint venture.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies and its associate and joint venture have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting, in so far as it relates to 8 subsidiaries, which are companies incorporated in India, is based solely on the corresponding reports of auditors of such companies.

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting, in so far as it relates to an associate, which is a company incorporated in India, whose financial information in unaudited and whose efficacy of internal financial controls over financial reporting is based solely on the Management's certification provided to us and our opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Group, its associate and joint venture is not affected as the financial information of such entities is not material to the Group.

Our opinion is not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors and the unaudited financial statements certified/ reported upon by the Management of the respective entities.

Notes forming part of the Consolidated financial statements (Contd.)

1. Corporate information

Shristi Infrastructure Development Corporation Ltd. ('Company') is engaged in Infrastructure Construction, Real Estate Development, Hospitality and Healthcare, etc.

Its registered office is situated at Plot No. X-1, 2 & 3, Block – EP, Sector – V

Salt Lake City, Kolkata – 700 091. The Company's shares are listed on BSE Limited and The Calcutta Stock Exchange Limited.

Shristi Infrastructure Development Corporation Limited together with its subsidiaries is hereinafter referred to as 'the Group'.

The Group's consolidated financial statements are approved for issue by the Company's Board of Directors on 30th June, 2021.

2. Significant accounting policies

2.1 Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

All the Ind AS issued by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved for issue by the Board of Directors has been considered in preparing these financial statements.

Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

2.2 Basis of preparation

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All amount disclosed in the financial statements including notes thereon have been rounded off to the nearest lakh as per the requirement of Schedule III to the Act, unless stated otherwise.

Notes forming part of the Consolidated financial statements (Contd.)

2.3 Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

2.4 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements. The Group's normal operating cycle in respect of operations relating to the construction and development of real estate projects may vary from project to project depending upon the size of the project, type of construction/development, project complexities and related approvals.

2.5 Basis of Consolidation

The Consolidated Financial Statements (CFS) includes the financial statements of the Company and its subsidiaries together with the share of the total comprehensive income of associates and joint ventures.

Subsidiaries are entities controlled by the Group. Associates are entities over which the Group exercise significant influence but does not control. An entity / arrangement in which the Group has the ability to exercise control jointly with one or more uncontrolled entities may be a joint venture ("JV") or a joint operation ("JO"). Unlike in a JV where parties have proportionate interests in the assets and liabilities of the JV entity, parties have rights to and obligations towards specified assets and liabilities in a JO.

Control, significant influence and joint control is assessed annually with reference to the voting power (usually arising from equity shareholdings and potential voting rights) and other rights (usually contractual) enjoyed by the Group in its capacity as an investor that provides it the power and consequential ability to direct the investee's activities and significantly affect the Group's returns from its investment. Such assessment requires the exercise of judgement and is disclosed by way of a note to the Financial Statements. The Group is considered not to be in control of entities where it is unclear as to whether it enjoys such power over the investee.

The assets, liabilities, income and expenses of subsidiaries are aggregated and consolidated, line by line, from the date control is acquired by any Group entity to the date it ceases. Profit or loss and each component of other comprehensive income are attributed to the Group as owners and to the non-controlling interests. The Group presents the non-controlling interests in the Balance Sheet within equity, separately from the equity of the Group as owners. The excess of the Group's investment in a subsidiary over its share in the net worth of such subsidiary on the date control is acquired is treated as goodwill while a deficit is considered as a capital reserve in the CFS. In case of JO, Group's share of assets, liabilities, income and expenses are consolidated. On disposal of the subsidiary, attributable amount on goodwill is included in the determination of the profit or loss and recognised in the

Notes forming part of the Consolidated financial statements (Contd.)

Statement of Profit and Loss. Impairment loss, if any, to the extent the carrying amount exceeds the recoverable amount is charged off to the Statement of Profit and Loss as it arises and is not reversed. For impairment testing, goodwill is allocated to Cash Generating Unit (CGU) or a group of CGUs to which it relates, which is not larger than an operating segment, and is monitored for internal management purposes.

All intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Reclassifies the parent's share of components previously recognised in OCI to profit or

loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

An investment in an associate or a JV is initially recognized at cost on the date of the investment, and inclusive of any goodwill/capital reserve embedded in the cost, in the Balance Sheet. The proportionate share of the Group in the net profits / losses as also in the other comprehensive income is recognised in the Statement of Profit and Loss and the carrying value of the investment is adjusted by a like amount (referred as 'equity method').

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March 2020.

2.6 Property, plant and equipment (PPE) and Depreciation

- a) Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of PPE recognised as at 1st April, 2016 measured as per the previous GAAP.

Notes forming part of the Consolidated financial statements (Contd.)

- b) Cost is inclusive of inward freight, non-refundable taxes and duties and directly attributable costs of bringing an asset to the location and condition of its intended use.

The cost and related accumulated depreciation are derecognised from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

- c) Depreciation on items of PPE is provided on a written down value basis to allocate their cost, net of their residual value over the estimated useful life of the respective asset as specified in Schedule II to the Companies Act, 2013.

The estimated useful lives of PPE of the Group are as follows:

Building	3 years
Plant and equipment	15 years
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	5 years
Computers & Accessories	3-6 years

The estimated useful lives, residual values and method of depreciation are reviewed at each Balance sheet date and are and changes, if any, are treated as changes in accounting estimate.

2.7 Intangible assets

Intangible assets are recognized at cost when it is probable that future economic benefits that are attributable to asset will flow to the company and the cost of the asset can be measured reliably. For this purpose, cost includes deemed cost which represents the carrying value of Intangible assets recognised as at 1st April, 2016 measured as per the previous GAAP.

Development rights for land will be amortised in future years upon completion of the project.

2.8 Impairment of non financial assets

Non financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognized is reversed such that the asset

Notes forming part of the Consolidated financial statements (Contd.)

is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment loss had not been recognized.

2.9 Inventories

Inventories are valued at cost or netrealizable value, whichever is lower. The cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Such is measured using the yearly weighted average method.

The cost of construction/project work in progress includes cost of land/development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

2.10 Revenue from Operations:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable upon transfer of control of promised goods or services to customers at an amount to which the entity expects to be entitled following a five-step model in accordance with Ind AS 115. Revenue is measured based on the consideration specified in a contract with a customer, and is reduced for volume discounts, rebates and other similar allowances.

Revenue from construction/project related activities is recognized over time to the extent of performance obligation satisfied and control is transferred to the customer. Contract revenue is recognized at allocable transaction price which represents the cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion method is the proportion of cost of work performed to-date, to the total estimated contract costs.

Revenue from rent and maintenance charges is recognized if the performance obligation of the same is satisfied. Performance obligation is satisfied over the period of time. The Company measures its performance obligation by using output method as specified in the Standard on the basis of number of days the property was rented.

Other Income:

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend Income

Dividend income is recognised when the Company's right to receive the dividend is established.

Share in profits of partnership firm investments

The Company's share in profits from a firm where the Company is a partner, is recognised on the basis of such firm's audited accounts, as per terms of the partnership deed.

All other incomes are accounted for on accrual basis.

Notes forming part of the Consolidated financial statements (Contd.)

2.11 Unbilled receivables

Unbilled receivables represent revenue recognized based on percentage of completion method, as per policy on revenue, over and above the amount due as per the payment plans agreed with the customers.

2.12 Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset are capitalized as part of the cost of such asset till such time that is required to complete and prepare the asset to get ready for its intended use. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

2.13 Provisions, contingent liabilities and contingent assets

- a) Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.
- b) Contingent liability is disclosed for possible obligations which will be confirmed only by future events not wholly within the control of the Group or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.
- d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.14 Employee benefits

- a) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

- b) Defined contribution plans

Group's Contributions to Provident are charged to the Statement of Profit and Loss in the year when the contributions to the respective funds are due.

- c) Defined benefit plans

Gratuity is in the nature of a defined benefit plan. The cost of providing benefits under the defined benefit obligation is calculated on the basis of actuarial valuations carried out at reporting date by independent

Notes forming part of the Consolidated financial statements (Contd.)

actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or Loss on account of remeasurements are recognised immediately through other comprehensive income in the period in which they occur.

d) Other employee benefits

The employees of the Group are entitled to compensated leave which is recognised as an expense in the statement of profit and loss account as and when they accrue. The liability is calculated based on actuarial valuation using projected unit credit method. These benefits are unfunded.

2.15 Investments in equity instruments of subsidiaries, joint ventures and associates

Investment in subsidiaries, associates and joint ventures are carried at cost as at the transition date i.e., 1st April, 2016.

2.16 Financial instruments, Financial assets, Financial liabilities and Equity instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

i) Financial Assets

(a) Recognition

Financial assets are initially recognised at transaction price when the Group becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

(b) Classification

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- 1) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- 2) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- 3) fair value through profit or loss (FVTPL), where the assets does not meet the criteria for categorization as at amortized cost or as FVTOCI. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Notes forming part of the Consolidated financial statements (Contd.)

However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

(c) Impairment

The Group assesses at each reporting date whether a financial asset (or a group of financial assets) held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

(d) De-recognition

Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Group has transferred substantially all of the risks and rewards of ownership. If the asset is one that is measured at:

- (i) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (ii) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

ii) Financial liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

iii) Equity instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

v) Dividend distribution

Dividends paid (including income tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

Notes forming part of the Consolidated financial statements (Contd.)

vi) Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 “Fair Value Measurement” (Ind AS – 113).

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions.

In determining the fair value of financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

2.17 Income taxes

Income tax expense comprises of current and deferred tax. It is recognised in the Statement of

Profit and Loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

Notes forming part of the Consolidated financial statements (Contd.)

2.18 Earnings per Share

- a) Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potential dilutive equity shares are adjusted retrospectively for all periods presented for any share split and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

2.19 Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM).

The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director.

The accounting policies adopted for segment reporting are in line with the accounting policies adopted for preparing and presenting the Financial Statements of the Group as a whole. In addition, the following specific accounting policies have been followed for segment reporting:

- a) Segment revenue includes sales and other income directly identifiable with/allocable to the segment including inter segment transfers.
- b) Revenue, expenses, assets and liabilities are identified to segments on the basis of their relationship to the operating activities of the segment. Segment results represent profits before finance charges, unallocated corporate expenses and taxes. Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on direct and/or on a reasonable basis, have been disclosed as "Unallocable".

2.20 Foreign Currency Transactions

The functional and presentation currency of the Group is Indian Rupee.

Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

2.21 Leases

Where the Company is lessee

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased asset, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments

Notes forming part of the Consolidated financial statements (Contd.)

are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are recognized as finance costs in the statement of profit and loss.

Right of use asset is depreciated on a straight-line basis over the lower of the lease term or the estimated useful life of the asset unless there is reasonable certainty that the Company will obtain ownership, wherein such assets are depreciated over the estimated useful life of the asset.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Company is the lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

2.22 Cash and cash equivalents

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Group's cash management.

2.23 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Group are segregated.

3.1 Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Notes forming part of the Consolidated financial statements (Contd.)

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Revenue recognition from construction contracts

Revenue is recognised using the percentage of completion method as construction progresses in respect of construction contracts. The percentage of completion is estimated by reference to the stage of the projects determined based on the proportion of costs incurred to date and the total estimated costs to complete.

Revenue recognition from development contracts

The Company recognizes revenue using the completed contract method. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the Company used the available contractual and historical information.

Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Estimation of Defined benefit obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the actuary considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Fair value measurements and valuation processes:

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets is determined using valuation techniques. The Group uses its judgement to select

Notes forming part of the Consolidated financial statements (Contd.)

a variety of method / methods and make assumptions that are mainly based on market conditions existing at the end of each financial year.

The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Provisions and contingent liabilities

The Company has ongoing litigations with various regulatory authorities and third parties. Where an outflow of funds is believed to be probable and are liable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

3.2 Recent Accounting Pronouncements

Effective 1st April, 2020, there were certain amendments in Indian Accounting Standards (Ind AS) vide Companies (Indian Accounting Standards) Amendment Rules, 2020 notifying amendment to existing Ind AS 1 'Presentation of Financial Statements', Ind AS 8 'Accounting Policies, Changes in Estimates and Errors', Ind AS 10 'Events after the Reporting Period', Ind AS 34 'Interim Financial Reporting', Ind AS 37 'Provisions, Contingent Liabilities and Contingent Assets', Ind AS 103 'Business Combinations', Ind AS 107 'Financial Instruments: Disclosures', Ind AS 109 'Financial Instruments', Ind AS 116 'Leases'.

Ind AS 1 has been modified to redefine the term 'Material' and consequential amendments have been made in Ind AS 8, Ind AS 10, Ind AS 34 and Ind AS 37.

Ind AS 103 dealing with 'Business Combination' has defined the term 'Business' to determine whether a transaction or event is a business combination.

Amendment to Ind AS 107 and 109 relate to hedging relationship directly affected by Interest Rate Benchmark reforms. The amendment among other things requires an entity to assume that Interest Rate Benchmark on which hedged cash flows are based is not altered as a result of Interest Rate Benchmark reforms.

Ind AS 116 dealing with 'Leases' permitted lessees, as a practical expedient, not to assess whether rent concessions that occur as a direct consequence of COVID-19 pandemic and meet specified conditions are lease modifications and, instead, to account for those rent concessions as if they were not lease modifications.

Revision in these standards did not have any material impact on the profit/loss and earning per share for the year.

Standards issues but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from 1st April, 2021.

b) Defined Benefit Plans/Long Term Compensated Absences :

Description of Plans

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the said Act, an employee who has completed five years of service is entitled to specific benefit. The Gratuity plan provides a lumpsum payment to employees at retirement, death, incapacitation or termination of employment. The level of benefits provided depends on the member's length of service and salary at retirement age etc.

Gratuity Benefits and Leave Encashment Benefits are unfunded in nature. The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method at the year end.

The following tables summarise the components of net benefit expense recognised in the Statement of Profit and Loss and amounts recognised in the Balance Sheet for the said plan:

c) Risks related to defined benefit plans:

The main risks to which the Group is exposed in relation to operating defined benefit plans are :

- i) **Mortality risk:** The assumptions adopted by the Group make allowances for future improvements in life expectancy. However, if life expectancy improves at a faster rate than assumed, this would result in greater payments from the plans and consequently increases in the plan's liabilities. In order to minimise this risk, mortality assumptions are reviewed on a regular basis.

Notes forming part of the Consolidated financial statements (Contd.)

- ii) **Interest Rate Risk:** The present value of Defined Benefit Plans liability is determined using the discount rate based on the market yields prevailing at the end of reporting period on Government bonds. A decrease in yields will increase the fund liabilities and vice-versa.
- iii) **Salary cost inflation risk:** The present value of the defined benefit plan liability is calculated with reference to the future salaries of participants under the Plan. Increase in salary due to adverse inflationary pressures might lead to higher liabilities.

d) **Asset - liability management and funding arrangements**

The trustees are responsible for determining the investment strategy of plan assets. The overall investment policy and strategy for Group's funded defined benefit plan is guided by the objective of achieving an investment return which, together with the contribution paid is sufficient to maintain reasonable control over various funding risks of the plan.

e) **Other disclosures :**

- i) The following are the assumptions used to determine the benefit obligation:
 - a) **Discount rate:** The yield of government bonds are considered as the discount rate. The tenure has been considered taking into account the past long term trend of employees' average remaining service life which reflects the average estimated term of the post - employment benefit obligations.
 - b) **Rate of escalation in salary :** The estimates of rate of escalation in salary, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.
 - c) **Rate of return on plan assets :** Not applicable as Gratuity and leave are unfunded.
 - d) **Attrition rate :** Attrition rate considered is the management's estimate based on the past long- term trend of employee turnover in the Group.
- ii) The Gratuity and Provident Fund expenses have been recognised under " Contribution to Provident and Other Funds" and Leave Encashment under " Salaries and Wages" under Note No. 26.

6. **Details of Loan, guarantee and Investments covered under section 186 (4) of the Companies Act, 2013 :**

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value of cash and cash equivalents, other bank balances, trade receivables, loans and other current financial assets, short term borrowings from body corporates, trade payables and other current financial liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.

Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using adjusted net asset value method. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Group has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2.

The following tables provide the fair value hierarchy of the Group's assets and liabilities measured at fair value on a recurring basis:

12. Financial risk management objectives and policies

The Group's activities expose it to market risk, liquidity risk and credit risk. The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact on the financial statements.

(a) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under financial instrument or a customer contract leading to a financial loss. The Group is exposure to credit risk from its operating activities primarily trade receivables and security deposit and from its financing activities including deposits placed with banks. Credit risk from balances with bank and other financial instrument is managed in accordance with Group's policies. Surplus funds are parked only in approved investment categories with well defined limits. Investment category is periodically reviewed by the Board of Directors of the Group.

Credit risk from balances with bank is managed in accordance with Group's policies according to which surplus funds are parked only in approved investment categories with well defined limits. Investment category is periodically reviewed by the Board of Directors of the Group.

Credit risk arising from balances with banks and other cash equivalents is limited and no collaterals are held against these because the counterparties are banks with high credit ratings assigned by credit rating agencies.

Loans and other financial assets measured at amortized cost includes loans to related parties, security deposits and others. Credit risk related to these financial assets are managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system is in place to ensure that the amounts are within defined limits.

Customer credit risk is managed as per Group's established policy, procedure and control related to credit risk management. Credit quality of the customer is assessed based on his previous track record and individual credit limit are defined according to this assessment. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each balance sheet date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Assets are written off when there is no reasonable expectation of recovery. The Group continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss. The maximum exposure to credit risk at the balance sheet date is the carrying value of each class of financial assets.

The Group assesses and manages credit risk of financial assets on the basis of assumptions, inputs and factors specific to the class of financial assets. The Group provides for expected credit loss on Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets based on 12 months expected credit loss/life time expected credit loss/ fully provided for. Life time expected credit loss is provided for trade receivables.

Notes forming part of the Consolidated financial statements (Contd.)

Expected credit loss for trade receivables under simplified approach

In respect of trade receivables, the Group considers provision for lifetime expected credit loss. Given the nature of business operations, the Group's trade receivables has low credit risk. Further, historical trends indicate any shortfall between such deposits held by the Group and amounts due from customers have been negligible. Hence, no loss allowances using life time expected credit loss mode is required.

(b) Liquidity risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligation on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates.

The tables below summarises the Group's financial liabilities into relevant maturity groupings based on their contractual maturities :

(c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market rate risk comprises of currency risk, interest rate risk and other price risk such as equity price risk and commodity risk.

Foreign currency risk

Foreign currency risk is the risk of impact related to fair value of future cash flows if an exposure in foreign currency, which fluctuate due to change in foreign currency rate. The Group has no international transactions and is not exposed to foreign exchange risk.

Notes forming part of the Consolidated financial statements (Contd.)

Interest rate risk

Interest rate risk is the risk that an upward movement in the interest rate would adversely effect the borrowing cost of the Group. The Group manages its interest rate risk by regular monitoring and taking necessary actions as are necessary to maintain an appropriate balance.

i) Liabilities

The Group's fixed rate borrowings are carried at amortised cost. They are, therefore, not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The exposure of the Group's borrowings to interest rate changes at the end of the reporting period are as follows:

a) Interest rate risk exposure

(Rs. in lakh)

	March 31, 2021	March 31, 2020

Interest rates - decrease by 70 basis points	51,782.62	51,940.18

ii) Assets

The Group's fixed deposits, interest bearing security deposits and loans are carried at fixed rate. Therefore, not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Price risk

Price risk is the risk that the fair value of financial instrument will fluctuate due to change in market traded price.

The Group's exposure to price risk arises from investments held and classified as FVTPL. To manage the price risk arising from investments in mutual funds, the Group diversifies its portfolio of assets.

13. Capital Management

(a) Risk management

For the purpose of the Group's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity share-holders of the Group. The Group's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders and maintain an optimal capital structure to reduce the cost of Capital.

Notes forming part of the Consolidated financial statements (Contd.)

The Group manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares.

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. The Group has complied with these covenants.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2018 and 31st March, 2017.

Notes forming part of the Consolidated financial statements (Contd.)

ICC, Singapore) issued a Partial Award (“Partial Award”) dated 30th April, 2019 and Final Award (“Final Award”) dated 12th July, 2020 in favour of the Claimant for payment of an amount of Rs. 76,100 Lakh together with interest calculated till 30th April, 2019 amounting to Rs. 1,390 Lakh. The Award further states that in case the aforesaid amount is declared unenforceable in whole or in part by any Court or Tribunal the Company shall make payment of Rs. 16,020 Lakh to the Claimant together with interest calculated till 30th April, 2019 amounting to Rs. 2,621 Lakh in lieu of shares so held in Sarga Hotel Pvt. Ltd., a subsidiary of the Company. The Arbitration Tribunal has further awarded aggregate costs, damages, etc. of Rs 1,808 Lakh in favour of the Claimant.

The Claimant has in the meantime already approached Hon’ble High Court of Delhi for enforcement of the Partial Award which is pending. The Company is in process of filing an objection to the enforcement of the awards. Based on the above facts and legal opinions obtained by the Company, no provision is considered necessary in the accounts in above respect.

The Company and its subsidiary are also pursuing their claim of Rs. 73100 Lakh against the Claimant and their associates in the District Court.”

17. “The Company and Haldia Municipality have entered into a Development Agreement dated 9th June 2006 for development of Haldia Convention & Sports Tourism Centre on land area admeasuring about 63.55 Acres. Pursuant to Scheme of Arrangement effective as on 31st March, 2009 business valuation of Development Right was restated at its fair value by debiting Development Right and crediting Capital Reserve amounting to Rs. 7073.37 Lakhs.

The Development Agreement was terminated by Haldia Municipality vide its letter no 4265/HM/2019 dated 2nd September 2019 alleging non-performance on the part of the company. Accordingly, the Company has reversed the value of Development Right amounting to Rs. 7073.37 Lakhs by debiting Capital Reserve as on 31.03.2021.

The Company has denied all allegation and challenged such termination by a writ before High Court at Calcutta. The Company is in touch with Haldia Municipality for restoration of Development Agreement.”

18. “The following (as reproduced) has been reported by the statutory auditors of a material subsidiary namely, Sarga Hotel Private Limited vide their report dated 26th June, 2021:

a) Corporate Insolvency Resolution Process (“CIRP”): The Hon’ble National Company Law Tribunal Kolkata (“NCLT”) by an order dated 12th August, 2020 admitted the Corporate Insolvency Resolution Process (“CIRP”) consequent upon application filed by Universal International Creation Limited u/s 9 of IBC Code and appointed Ms. Savita Agrawal as the Interim Resolution Professional (“IP”) to manage the affairs of the Company as per the provisions of the Code. The CIRP is ongoing.

The NCLT order also provided for a moratorium with effect from 12.08.2020 till the completion of the Corporate Insolvency Resolution Process.

b) In view of the initiation of CIRP, the Company has not provided interest during the current financial year on the loans obtained from Banks and financial Institutions which is not in accordance with accepted accounting principles. Confirmations from Banks and Financial Institutions have not been received as the loans obtained has turned into NPA.”

19. Radhakrishnan & Co., Cost Accountants, having Firm Registration No. 000018, appointed by the Board of Directors of the Company as Cost Auditors to conduct the audit of the cost records of the Company for the financial year 2021-22, amounting to Rs.30,000 (Rupees Thirty Thousand only) plus applicable taxes and reimbursement of out of pocket expenses incurred by them in connection with the aforesaid audit, as recommended by the Audit Committee and approved by the Board of Directors of the Company, be and is hereby ratified, confirmed and approved.

RESOLVED FURTHER THAT any of Directors and/or the Company Secretary of the Company be and are hereby severally authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

NOTES:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, as amended, (the “Act”) and Secretarial Standard on General Meetings (Revised) (SS-2), in respect of item nos. 3 of the Notice set out above, relating to Special Businesses to be transacted at the Meeting which the Board of Directors have considered and decided to include as Special Business and which are unavoidable in nature, are annexed hereto. The said Statements also contain the recommendation of the Board of Directors of the Company in terms of Regulation 17(11) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (the “Listing Regulations”). Additional disclosures, pursuant to the requirements of SS-2 and Regulation 36 of the Listing Regulations, in respect of the directors seeking appointment/re-appointment is also annexed to this Notice convening the Thirty First Annual General Meeting (“AGM”) of the Company (the “Notice”).

In view of continuing restrictions on the movement of people at several places in the country due to COVID-19 pandemic, the Ministry of Corporate Affairs (the "MCA") vide its General Circulars No. 14/2020, No. 17/2020 No. 20/2020 and No. 2/2021 dated April 8, 2020, April 13, 2020 May 5, 2020 and January 13, 2021 respectively (hereinafter collectively referred as the "MCA Circulars") read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated May 12, 2020 and January 15, 2021 respectively, has allowed companies to conduct their Annual General Meetings through Video Conferencing ("VC")/Other Audio Visual Means ("OAVM"), thereby, dispensing with the requirement of physical attendance of the members at common venue and accordingly, the Thirty First Annual General Meeting (the "AGM" or the "Meeting") of Shristi Infrastructure Development Corporation Limited (the "Company") will be held through VC/OAVM in compliance with the said circulars and the relevant provisions of the Act and Rules made thereunder and the Listing Regulations. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act. The deemed venue for the Thirty First AGM shall be the Registered Office of the Company.

2. IN TERMS OF THE MCA AND SEBI CIRCULARS MENTIONED HEREINABOVE, THE REQUIREMENT OF SENDING PROXY FORMS TO HOLDERS OF SECURITIES AS PER PROVISIONS OF SECTION 105 OF THE ACT READ WITH REGULATION 44(4) OF THE LISTING REGULATIONS, HAS BEEN DISPENSED WITH. THEREFORE, THE FACILITY TO APPOINT PROXY BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND CONSEQUENTLY, THE PROXY FORM AND ATTENDANCE SLIP ARE NOT ANNEXED TO THIS NOTICE.

However, in pursuance of Section 113 of the Act and Rules framed thereunder, the corporate /institutional members are entitled to appoint authorized representatives for the purpose of voting through remote e-voting or for the participation and e-voting during the AGM, through VC / OAVM. In this regard, they are required to send scanned copy (PDF / JPG Format) of the relevant Board Resolution / Power of Attorney / appropriate Authorization Letter authorizing their representative to vote on their behalf, to the Scrutinizer through e-mail at khaitan52@gmail.com and singhania.shruti9@gmail.com with a copy marked to evoting@kfintech.com. Since the AGM will be held through VC / OAVM, no Route Map is being provided with this Notice.

3. Dispatch of Annual Report, process for registration of Email ID for obtaining copy of the Notice and Annual Report:

- i. In compliance with the aforesaid MCA and SEBI Circulars, the Notice and the Annual Report is being sent only through electronic mode to all the Members whose email addresses are registered with the Company/RTA/ Depositories.
- ii. Members may note that the Notice and the Annual Report will also be available on the Company's website at www.shristicorp.com, the websites of the Stock Exchanges, i.e. BSE Limited and Calcutta Stock Exchange Limited at www.bseindia.com and www.cseindia.com, respectively, and on the website of the e-voting agency <https://evoting.kfintech.com/>.
- iii. KFin Technologies Private Limited (hereinafter referred to as "KFin"), the Company's Registrar and Share Transfer Agent will provide the facility for voting through remote e-voting, for participating in the AGM through VC/OAVM and e-voting during the AGM.
- iv. Pursuant to the MCA's Circular, the Company has published a newspaper advertisement urging its members (who have not registered their email IDs) to register their email IDs at the earliest.

However, Members who have still not registered their email IDs, are requested to do so at the earliest, in the following manner:

- a) Members holding shares in electronic mode can get their email IDs registered by contacting their respective Depository Participant.
- b) Members holding shares in physical mode are requested to register their email IDs with the Company or KFin, for receiving the Notice and Annual Report. Requests can be emailed to investor.relations@shristicorp.com or evoting@kfintech.com

- d) The procedure for e-voting during the AGM is same as the instructions mentioned above for remote e-voting since the AGM is being held through VC/OAVM. The e-voting window shall be activated upon instructions of the Chairman of the AGM during the AGM. E-voting during the AGM is integrated with the VC/OAVM platform and no separate login is required for the same
17. The Board of Directors of the Company has appointed CS Deepak Kumar Khaitan, Practicing Company Secretaries, (FCS No.: 5615 / CP No.: 5207), and/or CS Shruti Singhanian, Practicing Company Secretary, (ACS No. 49632/CP No. 18028) as the Scrutinizer for scrutinizing the process of remote e-voting and e-voting during the Meeting in a fair and transparent manner. The Scrutinizer shall, immediately after the conclusion of the Meeting, unblock the votes cast through remote e-voting and e-voting done during the Meeting in presence of at least two witnesses not in employment of the Company. The Scrutinizer shall submit a Consolidated Scrutinizer's Report of the total votes cast in favour of or against, if any, not later than 48 hours after the conclusion of the Meeting.
 18. The Results of remote e-voting and voting at the Meeting shall be declared by the Chairman or by any other Director duly authorized in this regard. The Results declared along with the Report of the Scrutinizer shall be placed on the Company's website (www.shristicorp.com) and also be displayed on the Notice Board of the Company at its Registered Office for at least 3 days and on the website of KFin (<https://evoting.kfintech.com/>) immediately after the results are declared and simultaneously communicated to the Stock Exchanges.
 19. The Register of Members and Share Transfer Books of the Company will remain closed from 17th September, 2021 to 23rd September, 2021 (both days inclusive).
 20. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
 21. Members holding shares in electronic form may note that the Company or its Registrar and Share Transfer Agent (KFin) cannot act on any request received directly from the members holding shares in electronic form for any change in their address or bank particulars or bank mandates. Such changes are to be advised only to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their address and / or bank mandates immediately to KFin.
 22. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. For nomination form please write at investor.relations@shristicorp.com or einward.ris@kfintech.com.
 23. The SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN details to the Depository Participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company / KFin.

24. Since securities of the Company are traded compulsorily in dematerialized form as per SEBI mandate, members holding shares in physical form are requested to get their shares dematerialized at the earliest. Further, pursuant to the amendment in the Listing Regulations and subsequent notification issued by SEBI, on and from 1st April, 2019, except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository. In this regard, SEBI has clarified by a Press Release that the said amendments does not prohibit an investor from holding the shares in physical form and the investor has the option of holding shares in physical form even after 1st April, 2019. However, any investor who is desirous of transferring shares (which are held in physical form) after 1st April, 2019 can do so only after the shares are dematerialized.

25. Procedure for inspection of documents

- a) All documents referred to in the Notice and the Explanatory Statement shall be made available electronically for inspection by the Members of the Company, without payment of fees upto and including the date of AGM. Members seeking inspection of the aforementioned documents can send an email to investor.relations@shristicorp.com with the subject line “Shristi Infrastructure Development Corporation Limited – 31st AGM” from their registered e-mail addresses mentioning their names and folio numbers / demat account numbers.
- b) The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and the Register of Contracts or arrangements in which Directors are interested maintained under Section 189 of the Act shall be made available for inspection by the Members through electronic mode during the AGM.

26. Transfer of Unclaimed or Unpaid dividend amounts to the Investor Education and Protection Fund (IEPF):

- a) In terms of Sections 124 and 125 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (as amended) (the “IEPF Rules”), dividends for the financial year 2013-14, which remain unpaid or unclaimed for a period of 7 (seven) years from the date of its transfer to the unpaid dividend account, will be transferred to the Investor Education and Protection Fund (IEPF) established by the Central Government. Shareholders who have not yet encashed their dividend warrants for the financial year 2013-14 or any subsequent financial year(s) were requested to claim the same by sending a duly signed letter (along with a copy of cancelled cheque) to KFin. The Company has uploaded the details of unpaid and unclaimed dividend amounts lying with the Company for financial year 2012-13 as on December 24, 2020 (date of last AGM) on the website of the Company (www.shristicorp.com) and also on the website of the Ministry of Corporate Affairs.
- b) The Company has sent reminder to all those shareholders who have not claimed their dividends and newspaper publications have also been made by the Company about the same. In case the Company/RTA does not receive any claim from such shareholders before the due date, the Company shall proceed to transfer such dividend to IEPF as per the IEPF Rules, without any further notice. Further, the equity shares in respect of which dividend has not been paid or claimed for seven consecutive years or more will also be transferred to IEPF Suspense Account, which is operated by the IEPF Authority in terms of the IEPF Rules. No claim shall lie against the Company in respect of individual amount(s) so credited to the Investor Education and Protection Fund.

Members can however claim both the unclaimed dividend amount and the equity shares from the IEPF Authority by making applications in the manner provided in the IEPF Rules

EXPLANATORY STATEMENT**(PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND OTHER APPLICABLE PROVISIONS)****Item No. 3**

In terms of Section 148 of the Companies Act, 2013 and the Companies (Cost Records and Audit) Rules, 2014 as may be amended from time to time, the Company is required to have an audit of its cost records by a Cost Accountant.

The Board of Directors on the recommendation of the Audit Committee, approved the appointment of M/s. D. Radhakrishnan & Co., Cost Accountants (Registration Number 000018) as the Cost Auditors of the Company for the financial year 2021-22 at a remuneration of Rs.30,000 (Rupees Thirty Thousand only) plus out of pocket expenses and taxes as may be applicable from time to time in connection with the cost audit of the Company for the financial year 2021-22.

Further, as per the provisions of Section 148 of the Companies Act 2013 read with the Companies (Audit and Auditors) Rules 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company. Accordingly, consent of the members is sought for ratification of the remuneration payable to the Cost Auditors for the financial year 2021-22.

The Board of Directors, therefore, recommends the Resolution as set out in Item No. 3 of the accompanying notice to be passed as an Ordinary Resolution by the Members.

None of the Directors and Key Managerial Personnel of the Company either directly or through their relatives are, in any way, concerned or interested, whether financially or otherwise, in the Resolution as set out in Item No. 3.
